We're Having a Beach Party!

Dear Friends,

Well, summer is finally here. School is winding down and we hope that you are looking forward to a vacation this year, maybe a trip to the mountains or the beach. There is nothing quite like a leisurely stroll along the beach at sunset, stopping along the way to pick up tiny treasures that have washed up on the shore.

We hope also that you will take time out to attend one of our Saturday Classes this summer. Coming up on June 14, we will be having our Dragonfly Sun Catcher Class. In this class we teach the basics of "lead wrapping" which is a handy alternative to edge beading, and gives a different look to your sun catchers.

Also, coming up on June 28 we will be having a Beach Party here at the shop. Are you

wondering how we can have a Beach Party in Kentucky? Join us as we make a "Sandscape" Treasure Box, a sealed beveled box made to hold a little bit of sand and some small shells that we will provide. It's quite a unique piece that you can really personalize if you would like to bring your own treasures that you've collected on one of those leisurely strolls on your own vacation.

Speaking of treasure, do you know about our Ticket Treasure Bowl? It's something we do here that gives you a chance to win prizes every month. You can read the details below, so be sure to check that out as well as the coupon which will give you 20% off of all patterns and books through the end of June.

Don't forget Father's Day coming up on June 15th. The Dragonfly Sun Catcher we'll be making in class would make a

One of our students with her future heirloom in progress

perfect Father's Day gift that any of those special father's in your life would certainly treasure.

*As always,
Laura*

Ticket Treasure

Do you know about our Ticket Treasure Bowl? We really don't mean for it to be a secret, but many of you may not know how it works. Every time you come into the store, ask for a ticket. We'll give you a two-part ticket. Tear it apart, keep one part and put the matching part into the Treasure Bowl. The first day of the month, we will draw one ticket out of the

bowl and it will be displayed on the board for five business days. You must come in during those five days to see if you are the winner. If your ticket matches the one that was drawn, you will win a prize. The treasure bowl will be emptied after the winning ticket is drawn and we will start over each month. Remember, you have to ask for the ticket and you have to

check the ticket to see if you are the lucky one.
GOOD LUCK!

Did You Know

In addition to everything you need for Stained Glass, we also carry supplies for:

- Glass Fusing
- Bead Making
- Jewelry Making
- Mosaic Supplies

Dragonfly Suncatcher Class

In this beginning lead-wrap class, you will create a delightful dragonfly suncatcher from pre-cut shapes and glass nuggets. You will learn how to stretch, cut and handle the lead to wrap glass and nuggets, add some wire and bring everything together to make the cutest little guy you've ever seen!

You will want to make more to give as gifts. We supply all the tools you will need, and all materials and supplies are included in the class fee. No prior experience is necessary.

Class Fee: \$ 35.00

Date: Saturday, June 14, 2008

Time: 11:00 am - 1:00 pm

Sandscope Treasure Box

We're having a beach party! Have you ever gone to the beach and brought back tiny treasures to help you remember the fun? Instead of tucking them away out of sight, you can put them on display in a "Sandscope" Treasure Box.

In this class you will be making a sealed, beveled treasure box complete with sand and shells. We will provide these, but if you have tiny treasures you would like to use, bring them along! You can make a truly unique piece that will keep those precious memories alive.

So beachcombers unite! Put on your Hawaiian shirt, pack up your soldering supplies and join us for our first ever beach party. You must have experience in copper foil construction and have your bevels foiled before class begins.

Class Fee: \$35.00

Date: Saturday, June 28, 2008

Time: 11:00 am - 1:00 pm

Regular Monthly Class Schedule

Beginning Stained Glass

This is our entry level stained glass class. Over the course of four weeks, you will learn the techniques required to complete a small stained glass panel using the copper foil method. You will choose from seven previously selected patterns, and using the glass of your choice you will complete as small stained glass panel. The class fee includes instruction and the use of some of our tools. Supply kit (required) is \$59.49 plus the cost of the glass of your choice. This class is a prerequisite for many of our other classes.

Class Fee: \$65.00

Dates: June 3 - 24, 2008

July 8- 29, 2008

Times: Morning Session: 10:00 am - 12:30 pm

Evening Session: 6:30 pm - 9:00 pm

Workshop Class

Refresh or improve your skills. Learn a new skill. Pick your project and we'll help. Bring your own basic tools. (This means everything that you need except your grinder.) Classes are limited, sign up early. Prior glass experience is necessary.

Class Fee: \$50.00

Dates: June 5 - 26, 2008

July 10- 31, 2008

Times: Morning Session:

10:00 am - 12:00pm

Evening Session:

7:00 pm - 9:00 pm
